# Certified Peer Recovery Specialist Conservator Status Form

Conservatorship is a court-approved legal relationship between a competent adult and an adult with a disability or who needs assistance in decision-making. It gives the conservator specific authority and duty to act on behalf of the individual in making decisions affecting the person's life. In Tennessee, the definition of a conservator is *a person appointed by the court to provide partial or full supervision, protection and assistance*. A conservator acts as the agent of the court.

Certified Peer Recovery Specialists are expected to not only manage their own affairs but also to be able to provide peer support to others. Having a conservator contraindicates certification as a Certified Peer Recovery Specialist.
